## **2. Introduction and Background**

- 2.1 The Central Warehousing Corporation (CWC) is a premier Schedule -A, Mini Ratna, Public Sector Undertaking. It provides integrated warehousing logistics services. It has diverse presence in storage of food grains, Container Freight Station (CFS), Inland Container Depot (ICD), Custom Bonded Warehousing, Integrated Check Post (ICP), Air cargo complexes, Container train operations (CTO), Rail-side warehousing, etc.
- 2.2 CWC intends to set up Steel Silos/silos at the identified locations. These silos can be developed by the party on the land allocated by CWC on long-term dedicated basis, BOT basis or on operation & maintenance basis.
- 2.3 (i) Tentative locations, suitable for setting up of steel silos for wheat storage, as per the need of private party or FCI or State Govt. have been identified. At these locations CWC is already having its warehousing facilities which can be partially or fully demolished to utilize it for the steel silos.
- (ii) However, private parties may also plan to develop silos system for Rice or any other commodity such as cement, molasses etc., as per their own requirements, for which CWC may provide vacant land with or without demolishing existing warehouses.
- 2.4 The key objective is to:
- To provide the modern infrastructure in form of steel silos under the Hub & Spoke model of Govt.
  - To provide covered space and vacant land for development/construction of silos system in the prime urban or rural area for wheat, rice, cement, molasses or any other such notified commodity requires silos as a storage structure.
  - To reduce the total cost and gestation (concept to commissioning) period of setting up Silos by providing land, godown, warehousing facility, with all basic amenities, security system, boundary walls, gate complex, office blocks, electricity, water supply, sewerage system, approach roads, etc.

## **3. Description of EOI Process:**

- 3.1 The stage of Expression of Interest (EOI) is undertaken as an industry consultation to determine credible Bidders having requisite capability for undertaking the Scope of Work, to provide their inputs on the key parameters to be adopted by CWC which would help determining the terms and conditions of the RFP. Pre-qualification of Bidders will not be done at this stage.
- 3.2 Subsequent to this EOI and the finalization of the Project details, CWC proposes to issue a Request for Proposal (RFP).
- 3.3 CWC does not, in any manner what so ever, warrant or represent that it will subsequently proceed to release the RFP and/or initiate the RFP Stage of the Bidding Process. Accordingly, the information regarding the RFP made in this EOI are indicative in nature and purely informative, and non-binding.
- 3.4 CWC in its absolute discretion may cancel, change, alter or replace the RFP Stage of the Bidding Process and/or the Project itself, without according any reason thereof or providing any prior notice to any person including the Bidders or Bidders, as the case may be.

3.5 Brief description of various existing facilities of CWC, identified for setting up of silos is mentioned in **Annexure-III & IV**. The layout plan and other description of the facility can be seen on URL:

<https://www.google.com/maps/d/viewer?mid=1fgHwvxAbwmMCUyD3ZaeykF-56BrZPVbB&ll=24.490292014157554%2C81.35254737738387&z=4>.

3.6 The bidder is also free to propose any other location with complete description and justification for setting up of Steel Silos/silos, based on production of any item(s)/Notified commodities such as cement, molasses etc. (which needs silos as a storage structure), its consumption or any other reason(s). If found suitable, CWC may include such location in its RFP, but the same is not binding on CWC.

3.7 Bidders are advised to visit the locations of their interest and make them well acquainted with the facility/location before sending the EOI. The Bidders may offer their comments on proposed facilities and their locations / area.

#### **4. Proposal & it's Benefits**

**4.1 Proposal:** CWC intends to set up steel silos/silos at various identified locations. SILOs can be developed and run on long terms either on dedicated warehousing basis, BOT basis & Operation & maintenance basis.

**a) Dedicate Warehousing Basis:** CWC will offer storage space (open vacant) on dedicated basis, wherein Steel Silos/silos can be created. Bidder can take space on fixed charge basis for at least 30 years utilization. An agreement for maximum 30 year duration can be executed. Copy of draft agreement is at annexure IV.
